SHARM EL-SHEIKH

The Buddha-Bar menu offers a selection of Pacific Rim cuisine dishes, a masterful blend of fine ingredients and spices where East Chinese, Japanese Thai and other Asian flavors combine subtly with a zest of the West.

Our aim is to offer an exciting and contemporary update of «nouvelle cuisine», with carefully balanced dishes that will delight both taste buds and eyes alike.

All dishes are prepared according to our «family style» concept: they can be shared among guests, and are served in large dishes rather than individual plates.

Prepared with only the very best ingredients, this fusion food menu is rich yet healthy, fruity and spicy, with a carefully balanced selection of classic recipes and new creations with entrancing names, reflecting the many inspirations of our chefs.
